Lifetime Surge Protector

"The Last Surge Protector You Will Ever Need for Life!"

Model: LSP100k

The LSP shields your home or business from powerful surges. Other cheap MOV Surge Protectors take 1 hit and need replacement. This device will take thousands of hits without need replacement, all while keeping your home and electronics safe!

Protect your home or business for LIFE! If

you move, just take it with you and protect your new home from surges.
